## 2013 Coho Classic event another success!

(Even with uncooperative weather)

The Coho Classic was another success this year. The team in charge of this years event made sure everything went smoothly. It was a lot of work and the weather was little help. The forecast for Saturday (winds and rain) limited the entries, so we were down 15% from last year. However, there

## Five western Wisconsin trout streams to be reclassified

News Release Published: July 15, 2013 by the Northwest Region

Contact(s): Marty Engel, Senior Fisheries Biologist, 715-684-2914 ext. 110

SPOONER, Wis. – Portions of five western Wisconsin trout streams would be reclassified based on their habitat and ability to support natural trout reproduction, under a Department of Natural Resources proposal that is currently open for public comment.

Four of the streams would be reclassified from class 2 to class 1 trout streams, and a fifth would be reclassified as a warm-water forage fish stream, according to Marty Engel, Department of Natural Resources Senior Fisheries Biologist, Baldwin.

“The four streams being reclassified as class 1 stream because fisheries surveys have shown they contain abundant self-sustaining trout populations and no longer need stocking,” Engel said. “Surveys have shown that

the fifth stream is unable to support a trout population even after years of stocking, so it is being reclassified from a class 3 trout stream to a warm-water forage fish stream.”

The streams being reclassified from class 2 to class 1 are:

Rush River in Pierce County (Martell, Gilman, El Paso, Salem and Maiden Rock Townships) for 27.6 miles from the St. Croix-Pierce county line downstream to State Highway 35.

South Fork of the Kinnickinnic River, all 4.5 miles in Pierce County (River Falls East and West Townships).

Little Trimbelle River all 5.3 miles in Pierce County (Trenton Township).

Bolen Creek all 5.3 miles in Dunn County (New Haven Township) and all 0.8 miles in

St. Croix County (Forest Township).

The fifth stream, 4 miles of Lambs Creek in Dunn County (Sherman Township) would be reclassified from a class 3 trout stream to a warm water forage fish stream based on recent surveys that indicate Lambs Creek was a stocked stream that did not support a trout fishery for many years.

The DNR will waive any hearing requirement on these classifications unless a written request for a hearing is received before August 14, 2013. Hearing requests should be sent to: Marty Engel, Senior Fisheries Biologist, Wisconsin DNR, 890 Spruce Street, Baldwin, WI 54002. He can be contacted by telephone at 715-684-2914 ext. 110.

The fishing is good out of Northpoint with mixed bag catches that include many kings over twenty pounds. The best depths are changing daily but fish are consistently biting in the top forty feet. Moonshine RV Sand Burr and RV Happee Meal are the top glow spoons while magnum Pro King Orange Crush is producing well during the day.

## Help Wanted!!!!!!! No Experience Necessary!! Part time!!

Are you looking to get more involved in the KSFCA?

The KSFCA is looking to fill committee co-chairmanships.

Work from home, great winter activity, set your own schedule, minimal meetings, get better acquainted with club members, and make an impact in your community through the KSFCA.

The **Fundraiser committee** needs an additional person or persons who are willing to help plan and execute the Annual Fundraising Banquet held in the spring. Assisting in choosing a place, menu, date along with approving, planning and printing of Fundraiser flyers and other printed event items. We need club members to assist with phone calls, follow-up, and event suggestions. Have you participated in this great event as a dinner attendee, corporate sponsor, Cash-on-the-Line participant, or waiting to attend your first dinner? Have you experienced the events of other clubs/associations? Enthusiasm is a must. Computer skills are not necessary. You would work with Jim Hanrahan, an experienced Co-Chair, to assist with planning, and decision making on this event. Contact Lynn Davis at [viceprez@kenoshasportfishing.com](mailto:viceprez@kenoshasportfishing.com) or Jim Hanrahan at [jhanrahan4@wi.rr.com](mailto:jhanrahan4@wi.rr.com) or directly at the meeting, if you are interested in helping on this committee.

The **Kids Fish n Fun Committee** is in need of a co-chair for its annual Kids Fish n Fun Event held in May on the Saturday before Mothers Day. This co-chair will assist chairs Jami Hotzfield (concessions) and Lynn Davis (event execution), by coordinating the ordering of rods and reels, bait, equipment assembly, and distribution at event. Records from previous years are available. Knowledge of fishing equipment assembly is a plus. Sense of Humor always appreciated. Please contact Lynn Davis at the meeting or contact her at [viceprez@kenoshasportfishing.com](mailto:viceprez@kenoshasportfishing.com) if you are interested in helping on this committee.
