Fish N Fun- "Beautiful Brings out the Youth"

The kids came to fish and boy did they have fun. The turnout was a true success and the best in a long time. Every rod we had was given out and there are no rods are left to give out. The Scotty Haebig Tournament for longest fish ended in a tie. This is the second year for this tournament. Aiden Sikora, age 7 and Anthony Jaklin, age 11 both registered fish that measured 11.5". Both boys received a trophy for their accomplishment. These young men are repeat attendees at this popular annual event, and we are sure they will be back next year. The boys and their families were guests at the May Fish Fry.

Huge thank you to all of the KSFCA members that assisted with this endeavor, grilling dogs, measuring fish, passing out bait, distributing rods, instructing how to cast, handling a safety session, instructing fly tying, assembling rods, serving food and all other tasks. Big thank you to the DNR in Madison for all the hand-outs, thanks to the Coast Guard, thanks to Wisconsin Initiative Safety Education from the County Sheriff's office for the safety talk, and thanks to the Kenosha News for the great coverage.

Sponsor Zone Exchange- "Just Show Your KSFCA Card"

The KSFCA received over \$400 for card use in the First Quarter. We thank everybody that participated. This "fundraiser" is easy to do, and is a win-win for the KSFCA and the participating businesses. Check out the web page for this program at:
<http://sponsorzoneexchange.com/>

Present your card locally at everything from restaurants, to flowershops, to gas for your vehicle. Basically, you shop and the KSFCA makes money. If you need a card, see Lynn Davis or Troy Alley.

Established in 1969 by local family fisherman, we continue to focus on conservation of the Great Lakes. For over 40 years the K.S.F.C.A. has worked to support our community and the Great Lakes through various activities and educational programs. Some current examples include: kids fishing programs, fly tying classes, Pike river clean-up efforts, and stocking Lake Michigan with over 40,000 Chinook salmon annually.

If you would like to support these activities, please contact us by phone, mail, or email. We welcome anyone interested in becoming a member.
