KSFCA Awards Banquet, Fun was had by all

Everyone had a great time again at this year's KSFCA Awards Banquet. The evening started at 5:00pm with dinner at 6:00pm, after dinner the awards portion of the program started. From smallest to largest here are the 2012 winners. Jerry Vigansky weighed in the largest Brown Trout this year at 5.7 lbs. Jerry also weighed in the largest Coho at 6.2 lbs. Troy Alley weighed in the largest Rainbow Trout at 10.6 lbs and will also hold the "Kim Caves" trophy for the next year.

this year was a 21 lb Lake Trout caught by Dave Slayton. You may recall that this was also the largest Laker at the Salmon-A-Rama 2012.

Dave Slayton, largest Lake Trout

Troy Alley, largest Rainbow

But this year's big winner with 74.5 points was Jerry Vigansky, the 2012 Master Angler!

Jerry Vigansky, 2012 Master Anger

Jami Hotzfield is the "Harry Rash" award winner for largest Chinook taken during Memorial Day weekend at 16.6 lbs. Jim Hanrahan weighed in the largest Chinook of the year at 20 lbs. But the biggest fish weighed in by a club member

KSFCA Awards Banquet (Cont'd)

In addition to the monthly contest for Master Angler, we also awards for the 2012 Club Tournament Series. The third place award went to Jim Hanrahan's boat with a total of 459.4 points. Taking second place was Mike Smith's boat with a total of 491.4 points. The winner of the 2012 Club Tournament Series was Tom Zapp's boat with a total of 554.8 points

Three Spring Boating Safety Tips

Courtesy of: <http://www.worldfishingnetwork.com/news/three-spring-boating-safety-tips--232494.aspx>

In many parts of the country, anglers and boaters are taking advantage of the unusually warm weather, but some may be forgetting that cold waters still lurk beneath the keel. Here are three easy **safety** tips from BoatUS that will help get you safely through the spring fishing and boating season.

1. Don't allow the warm weather to let your guard

down: The air temperatures may be downright balmy, but deceptively cold waters increase the risk of hypothermia even on a "T-shirt" day. Also remember there are fewer boats out on the water that could come to your aid. Bring extra layers or change of clothes and rain gear this time of year.

2. Plan on how to get back in the boat:

If you accidentally went overboard, do you have a way to get back aboard? You

may be surprised how hard this can be – especially if you are alone or haven't prepared for it. It could be as simple as having a rope with looped foot holds affixed to a cleat that can easily be grabbed from the water.

3. Refresh your memory:

Take a boating safety course now from the comfort of your own home. The no-cost BoatUS Foundation Online Boating Safety course, which is designed so that you can stop and then continue at any time, includes videos that demonstrate important safety devices such as flares, shows the rules of the road, how to get help in an emergency, and the best way to fit a life jacket to a child so they will not slip out. Go to www.BoatUS.org/onlinecourse. It may also help you save money on boat insurance and meet your state's requirements for boating safety education.

Check out the KSFCA fly tying classes during March

As many of you know, the KSFCA sponsors fly tying every Tuesday night (7pm-9pm) at the Moose Club from October through March each year. The pictures below show fly tying in progress by some of our fly tyers. Come visit us sometime in March and see what it's all about, have some fun, and maybe you'll learn a new skill. We encourage parents to bring their children (age 12 and over) and spend some quality time together, take home the fly you tie and plan your next fishing trip so you can use those flies. The March schedule includes Bluegill flies, minnow imitations, bass hair bugs and divers, and crawfish. Sound challenging? Come join us for some fun, learn a new skill, and take a fly home to try on your next fishing adventure!

The Kenosha Sport fishing and Conservation Association is a non-profit organization dedicated to the protection and proper utilization of the Great Lakes resources. Established in 1969 by local family fisherman, we continue to focus on conservation of the Great Lakes. For over 40 years the K.S.F.C.A. has worked to support our community and the Great Lakes through various activities and educational programs. Some current examples include: kids fishing programs, fly tying classes, Pike river clean-up efforts, and stocking Lake Michigan with over 40,000 Chinook salmon annually.

If you would like to support these activities, please contact us by phone, mail, or email. We welcome anyone interested in becoming a member. If you are not interested in becoming a member, but would still like to support these important activities in our community, we do accept financial donations.
