February 6th	Board Elections
February 18th	Awards Banquet
February 25th	Club Swap Meet
March 10-11	Kenosha Expo
March 29th	Annual Fundraiser
May 20th	Monthly Tournament
June 10th	Monthly Tournament
August 12th	Monthly Tournament
September 16th	Monthly Tournament

Scales & Tales

Fundraiser Committee: The date is set. March 29th at the Moose Lodge. The committee is seeking any members who would be willing to donate wild game for the fundraiser. They will be used as appetizers prepared by Jim Matzur.

The Boathouse will be our caterer, supplying their Prime Rib and fixings, along with staff. Tickets will be \$30.00 each. Instead of a Grand Prize there will be door prizes, one for each entry. We will raffle another T.V. Also we will have a liquor, meat, Great Lakes, inland lakes, electronics and ladies board. V.I.P. tables will be available. A cash drawing with three winners instead of one, \$500.00, \$300.00 and \$200.00. Tickets will sell for \$5.00 each or five for \$20.00. Members will be asked to start selling them prior the Fundraiser, also to "man a board" for an hour. Help with the clean up afterwards will also be needed.

The third Wednesday of the Month at 6:00 P.M. at Bindelli's Zoo there will be a meeting for the Fundraiser. Anyone may join and assist with decisions and ideas. Any one who can get any donation's "for the drawings" please let Tom Zapp or Jim Hanrahan know.

The Awards Banquet will be at the Boathouse on Feb. 18th. Dinner at 7:00 P.M.

Fish-N-Fun Committee: No new news this month.

Contest Committee: No news this month, however let me use this time to mention there is still talk of a new contest in Kenosha being set for the spring. The Salmon Unlimited and the Kenosha Yacht Club are interested in assisting.

Sunshine Committee: Flowers were sent to Judy Reuter for a surgery and Cindy Gehrke and Ron's Neubauer's wife send thanks to the club for their flowers sent.

Supporting & General Membership Committee: Tom Zapp will look into filling this position.

Rearing Pond Committee: No new news this month.

Pike River Committee: Jim Zondlak was anxious to bring up a \$5,000 grant applied for with the Root River Wynn project. We should know within 3 to 4 weeks. This committee has exposed our club to a whole new class. Conservation is a special topic, especially with the youth. Their interest may not be with fishing, but the future of nature is. And rightfully so. Jim and his committee to tap this interest has opened a huge door. The Pike River has a long history and should not be ignored.

Fly Tying Committee: Jack Springer wasted no time dropping Dave Stock and Al Dutkiewicz names for their assistance. Attendance is off the charts with over 25 participants weekly. Next class' will be the most important with the "nymphs" for 5 weeks.

Electronic Communication Committee: Mike Smith is requesting any pictures you wish to share to be sent to him for our web site. Any questions or ideas about the site is welcome. Mike Peterman (Technology Solutions Inc.) and his crew are very responsive.

Publication Committee: With my 6 month notice given in November, April will be my last Outrigger publication. Invitations are open.

2012 January Nominations

Nominations were held January ninth at the KSFCA meeting. I was not surprised to see more "accepts" this year. Many members were not hesitant to take a step forward and accept their nominations. Each and all have personal "agenda's". The members mentioned below are capable and eager to exercise their beliefs. Please see below the list of nominations from January. Mark D'Aloia was sure to express that in February when "active" members vote there may be more nominations if any members desire.

- Treasurer: Jim Hanrahan
 Secretary: Lynn Davis
 Denise Piquette ?
 Vice President: Andy Stowe
 President: Mark D'Aloia
 Board Members:
 1 year: Jim Zondlak
 Jack Springer
 2 year: Troy Alley ?
 3 year: Tom Zapp
 4 year: Mike Smith

Remember please, you must be a active member to vote. Memberships will be accepted at the February meeting You can go to our website <http://www.kenoshasportfishing.com/> and fill out the membership information. Or cut out the form below. Membership is still only \$30.00 a year!

SWAP MEET

February 25TH
 9am to 2 pm

Jerry Vigansky started running our Swap Meet a few years ago. There have been many vendors and people returning each year.

February 25th, last Saturday of February is the date. It will be held at the Moose Lodge. Same as last year. Starting time is 9:00 AM to 2:00 PM.

If you have any sports related equipment you wish to clear out, please consider our "Club Table". Donations for this table will proceed the club. If you wish to have a table please contact either Jim Davis (847) 891-4767 or Jerry Vigansky (262)945-4710.

If you have never gone to one of the Swap Meets you will be quite surprised. Tables go quick, everyone has used and new items for sale. This is a great place, and time to meet and discuss a variety of interest.

Bob's Harborside Bait & Tackle

12/19/12 When the weather isn't terrible, and the water isn't too dirty, people are catching fish with some regularity in the harbor. Windy miserable days keep fishermen

in. As of yesterday there were still boaters willing to brave the weather for a shot at a nice Brown or Rainbow. None of these guys in boats have been getting skunked. They may not be getting limits of fish, but they are happy to catch a few. The best bait from shore has been the small white tube under a bobber. The best one from boats has been Luckycraft Pointers in both the 78 & 100 size. Some guys like Billy have been doing well with the Bass Pro knock-off version of the Luckycraft. This makes losing a bait to a dock, rock, or cable a lot easier to swallow than losing the full price version.

Today is in the 40's with not much wind. Seems perfect weather for die-hards to me. Get out there and give it hell. -Bob

12/9/12 I've been MIA for about a week, but not much has changed, or happened to write about. The guys who were brave enough to venture out in their boats last week did catch fish. They were hovering in the vicinity of the bridge, and were doing best casting cranks. The majority of fish caught were Browns, but there were a few Rainbows. Luckycrafts were the ticket. Tube jigs also produced last week. From what I've heard this week has been a bust. Sunday is forecast to be 40 degrees so look for those boaters to be out there again. They walk the sanity line. I know Roy will be there if the ramp isn't frozen. Later- Bob

Thus The Kenosha Harbor Associates Was Created

Kenosha Harbor Associates: Was born in 2011 by local businesses, fishing groups, concerned citizens, and people who have an interest in preserving the "Port of Kenosha", correcting years of neglect and making the future clean and bright for all that enjoy the "Kenosha Harbor".

Over the past several years, between the lack of funding by governmental bodies from the federal Government down to the local municipalities, the condition of the infrastructure and accessibility of the harbor has deteriorated. When international shipping/receiving ended in the 1970's here in Kenosha, What remained was a highly polluted and dirty seaport that was dead to fish and plant life alike.

Over the past 30+ years, with great effort and at a very high cost, the "Port of Kenosha" has become a boater's and sportsman's paradise. This past season it was not unusual to find our regular species of fish, including trout, salmon, and perch, in abundant numbers within the marinas basins, but a large quantity of fish requiring "very clean" water such as: bass, northern, crappie, bluegill, and walleye also made an appearance.

This past season with the storms we endured caused extreme sand buildup at the mouth of the harbor. It piled up to a point where less than four feet of water remained above the sand and deeper vessels not only dragged the bottoms but more than a few had to be towed of the sand bar to open water. With funding for dredging no longer available to the City of Kenosha and Army Corp of Engineers, no further action will be taken now or in the near future.

The City Council of Kenosha did not see the importance of including these funds in their 2012 budget. The attitude of the council was of "non concern" to our harbor issues. Was this do to the lack of information or the lack of voter attendance at meetings, or maybe the lack of communications from their concerned constituents?

The short sidedness of our governing bodies in these tough economic times seems to be the norm of many of our elected officials, Yet, the harbor still holds the heart of many more and their help in this project will be greatly appreciated. Regardless of the economy the harbor must be preserved and maintained to keep the economic influx that arrives each year with the spring thaw. Kenosha Harbor Associates will take on the responsibilities' of:

- *Public Awareness*
- *Information clearing house*
- *Coordination of efforts of governing bodies and involved groups*
- *Volunteer help for clean up and maintenance issues*
- *Raise needed funds for needed projects in the harbor*
- *Investigate and pursue funding options for needed projects*
- *Provide members and the general public with lobbying efforts regarding the harbor*
- *Lobby Local, State, and Federal Governments for resources that can be used in our efforts*
- *Work with the agencies involved in regulation of the harbor to further our efforts*
- *Hold public awareness meetings to discuss and inform the area citizens of legislation and status of our efforts and the harbor*
- *Join and help other groups facing the same problems we are addressing so that common interests can be shared*
- *Work with Local officials to help them understand our concerns and work with them to achieve needed results*
- *Establish a trust for future projects and needed repairs*

No one person or group can resolve all of the concerns and issues of the Kenosha Harbor. But together we are stronger and more flexible and able to achieve the results so needed to preserve our "Port" for our children and grandchildren alike.

During the January meeting Walter Kreuser (Who works at the Kenosha Yacht Club and is a active club member) gave us information about the financial status of the Harbor. Main concern is the dredging that is needed. Not only for the chance of Tall Ships entering but smaller boats also. We start seeing water levels less than 5 feet in areas can cause serious problems. You could hear it in Walter's voice this can get serious. Effecting many Kenosha Business'. Walter and others just have created the above association.

2011 AWARD BANQUETT

Invite to the Kenosha Expo

March 10th & 11th is the Kenosha Expo at UW Parkside Frank J. Petretti Field house. Hours are Saturday 10:00 am – 4:00 pm. Sunday 10:00 am – 4:00 pm. We are looking for club members to man the booth both days. We are running our kids fishing contest so we need at least four people there helping the kid's fish, maintaining the leader board & running the computer. We also need members talking with parents about our club and talking up various activities we have going on through out the year.

This event takes a tremendous amount of club support, wives of members & kids that are teenagers are more than welcome to help during the two day event. I ask you as out going V.P to support this event; its one of the best ways to get our name out in the community and gain support moving forward. Please contact Jim Zondlak (262-620-1234) to sign up and lend a helping hand.

Jalensky's Seminar

March 3rd and 4th
9:00 AM to 5:0 PM

Once again Jalensky's is holding their seminar. At this time I have no details as for who their speakers are.

However I do know that the Kenosha Sports Fishing and Conservation Association will be allowed to have a table and sell Bratwursts with condiments. We are looking for volunteers to represent our club. Please let a Committee member know if you are interested.

2012 DUES
