

With our emphasis being sportfishing, conservation remains the foundation of the
Kenosha Sportfishing and Conservation Association
We are committed to continuing efforts to protect and improve the environment through education and example,
doing so provides the basis of our future legacy for generations to come.

Dear Future KSFCA Members,

The 2020 individual/family membership will increase to \$40.00 initially, with a bump to \$45.00 on February 1, 2020. We are encouraging all members to submit their dues payment online. Application and payments can now be made online through our website at <https://kenoshasportfishing.com/membership/> for renewals and new members. Our website is secure and credit card numbers are not available to the KSFCA.

Your paid membership enables the KSFCA to continue the success we have been enjoying since 1973. Membership dues contribute to the association's insurance, administrative costs for website, electric for the rearing pond and our postal box, along with the Annual Fish n Fun for Kids. Board work is also available to our members, where your voice can help improve the association for many.

Below are proud examples of what our club is currently involved in:

- Monthly Meetings held on the first Monday of each month at the Moose Lodge
- Working with DNR and the City of Kenosha to annually raise 42,000 chinook salmon
- Kids of Kenosha learn the love of fishing at the annual Kids Fish n Fun event held in May.
- The Kids Don't Float life vest loaner kiosk at the launch ramp.
- Installation of the first Life Ring Kiosk on the Kenosha South Pier
- The Annual Pike River Clean-up brings community volunteers together to remove debris, tires and log jams for safer kayaking and fishing.
- Fly Tying Clinics are held weekly October thru March
- Contests, Tournaments, Banquets, and Family Fish Fries
- Speakers at meetings increase our knowledge of sportfishing, conservation, environmental issues and Lake Michigan health.

An application is enclosed for those who would like to mail their annual dues or bring to a meeting to pay in person. The KSFCA postal box address is:
